

OUR SERVICES

Certification Body Accreditation:

Gain recognition for your competence and impartiality in certifying products, management systems, and services based on ISO/IEC 17021 and ISO/IEC 17065.

Testing and Calibration Lab Accreditation:

Elevate trust in your testing and calibration capabilities by meeting ISO/IEC 17025 requirements, ensuring precision, accuracy, and reliability in measurements.

Medical Lab Accreditation:

Showcase your commitment to accurate diagnostics and patient care with our Medical Laboratory Accreditation, aligned with ISO 15189 requirements.

Training Provider Accreditation:

Demonstrate your ability to deliver high-quality training programs, meeting industry standards and learner needs.
